One crisp fall day, Pip and Poppy set off to explore the autumn forest. But soon, a gust of wind changes their adventure!

Mission 1: The Windy Woods

WHOOSH!
The wind blew through the trees. A maple leaf spun in the air!

"Follow that leaf!" said Pip.

Your Mission:

Spin your maple leaf five times.
Try both hands!

Mission 2: The Pumpkin Patch

The turkeys found a big pumpkin.
"Oh no!" said Poppy.
"It is in our way!"
"Let's go around!" said Pip.

Your Mission:

Feel the pumpkin's bumps. Count five. Help both turkeys find a path around it!

Mission 3: Where Is Pip?

Poppy looked left.
Poppy looked right.
"Pip? Where are you?"
Pip was lost!

Your Mission:

Hide Pip behind the pumpkin.
Use Poppy to find him!

Mission 4: A Clever Plan

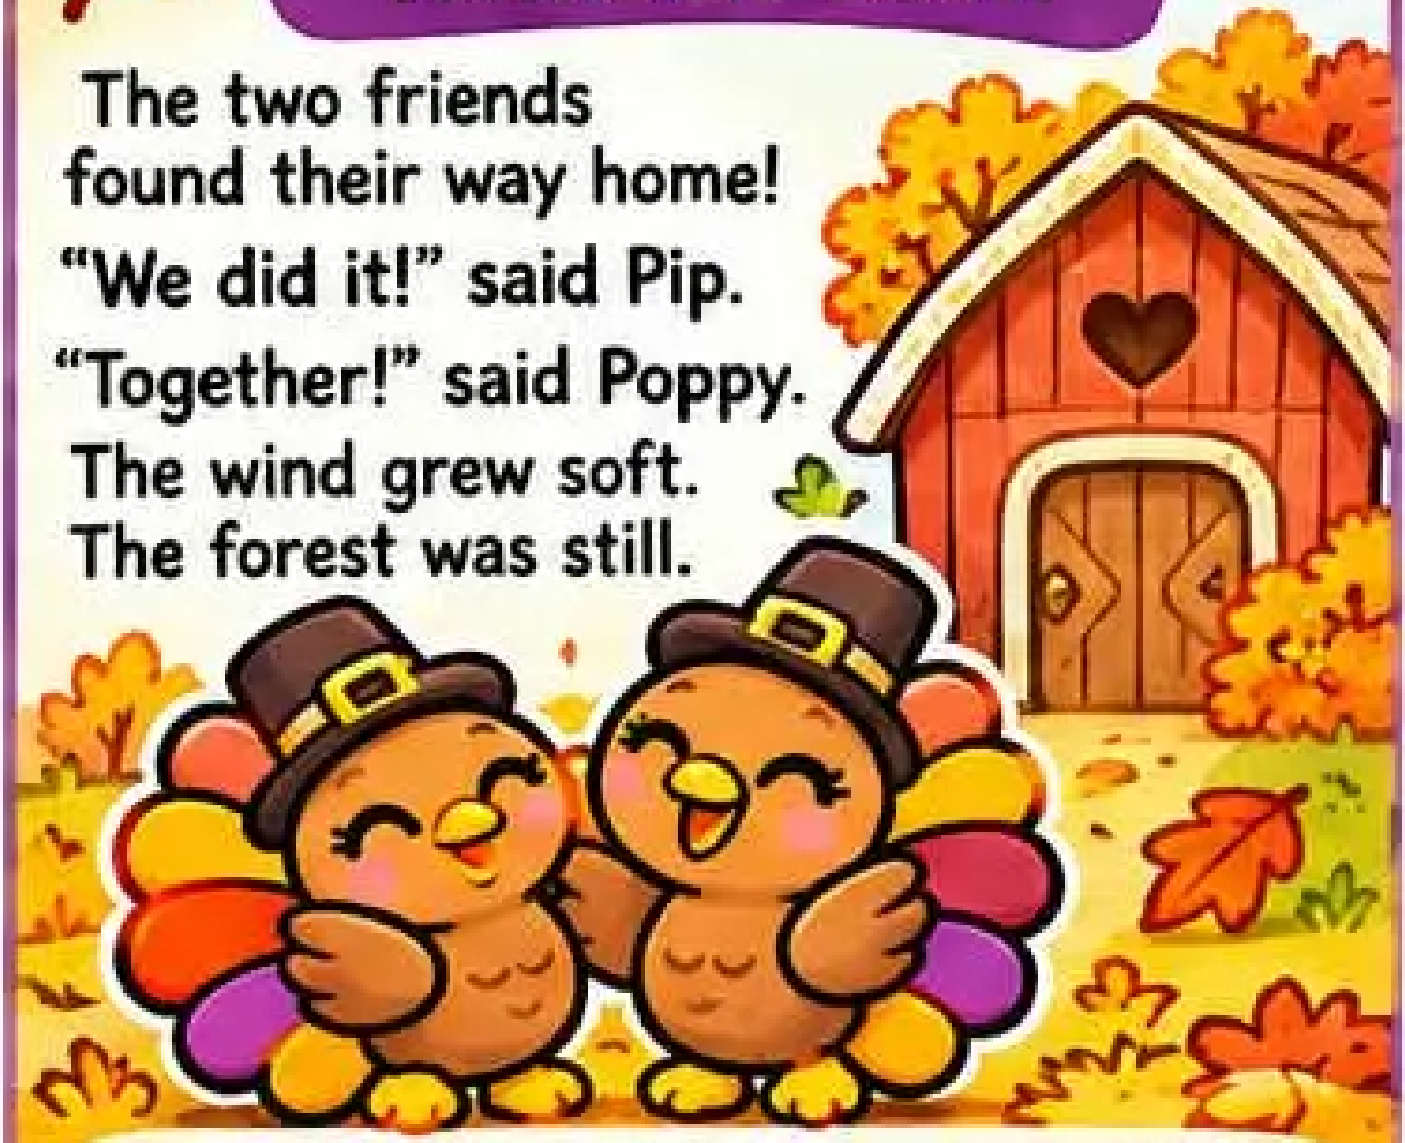
"I have an idea!"
said Poppy.
"Follow my voice!"
"Gobble, gobble!"
called Pip.
"There you are!"
said Poppy.

Your Mission:

Make the turkeys move together.
Can they walk, turn, and dance?

Mission 5: Home at Last!

The two friends
found their way home!
"We did it!" said Pip.
"Together!" said Poppy.
The wind grew soft.
The forest was still.



Your Mission:

Spin your leaf one last time.
Take three slow breaths.
